KIDS SKI CAMP

This camp is arranged by Deaf International Ski for the second time and is for deaf children born year 2009 - 2017 from around the world who can already ski independently using parallel skis and wish to further develop their skills in alpine skiing are welcome to join the camp.

CODA children (Children of Deaf Adults) are also welcome, though spots for them are limited.

The camp is focused on skill development, specifically on ski racing.

PROGRAM

(with reservations for possible change)

**December 27
2025**

Arrival day. The meeting point is at 2:00 PM at the valley station, from where we will travel together to the mountain station. After a welcome and dinner, there will be games and activities in the sports hall.

Meeting location: <https://maps.app.goo.gl/6Jh9NbfRTvUIaFqd8>

**December 28-31
2025**

We ski every day in the morning and afternoon. In the evenings, participants can enjoy games and activities in the sports hall. In case of bad weather, alternative indoor activities will be arranged.

January 1, 2026

Ski race day! All participants will join a fun race with prizes for everyone. The rest of the day is free skiing.

January 2, 2026

Departure day. Time to say goodbye and head home.
